WRITINGS AND SPEECHES**

LAW OF CHANGE AND REFORM

There is nothing fixed, nothing eternal, nothing Sanatan; that everything is changing, that change is the law of life for individuals as well as for society.

Stability is wanted but not at the cost of change when the change is imperative Adjustment is wanted but not at the sacrifice of social justice ...

The path of social reform like the path to heaven at any rate in India, is strewn with many difficulties... Caste is the monster that crosses your path. You cannot have political reform. You cannot have economic reform, unless you kill this monster.
