MESSAGE

Babasaheb Dr. B.R.Ambedkar, the first Law Minister of Independent India and the Chief Architect of the Indian Constitution, is also remembered and admired as a nationalist, statesman, sociologist, philosopher, anthropologist, historian, economist, jurist, a prolific writer and a powerful orator.

To celebrate Birth Centenary of Babasaheb Dr. B.R.Ambedkar in a befitting manner, a National Centenary Celebrations Committee was constituted during the year 1990-91 with the then Hon'ble Prime Minister as its Chairman. Dr. Ambedkar Foundation was established by the Government of India under the aegis of the then Ministry of Welfare (now Ministry of Social Justice & Empowerment) with the objective to promote Babasaheb's ideals and also to administer some of the schemes which emanated from the Centenary Celebrations.

During these Celebrations, the Ministries and Departments of Government of India and State and Union Territory Governments had organized number of Programmes and had announced various Schemes. The Government of Maharashtra had also organized number of Programmes/Schemes and gave fillip to its project on compilation of Dr. Ambedkar Works viz. 'Dr. Babasaheb Ambedkar Writings and Speeches'. Dr. Ambedkar Foundation was also entrusted with the project of translation and publication of Dr. Ambedkar's Works by Government of Maharashtra, into Hindi and various regional languages. The Foundation also brought English versions of CWBA Volumes and keeping in view the demand for these Volumes (English), they have now been re-printed.

Dr. Ambedkar's writings are relevant today also as they were at the time these were penned. I am sure, the readers would be enriched by his thoughts. The Foundation would be thankful for any inputs or suggestions about these Volumes.

(Dr. Debendra Prasad Majhi)

"For I am of the opinion that the most vital need of the day is to create among the mass of the people the sense of a common nationality, the feeling not that they are Indians first and Hindus, Mohammedans or Sindhis and Kanarese afterwards, but that they are Indians first and Indians last. If that be the ideal then it follows that nothing should be done which will harden local patriotism and group consciousness."—(P. No. 66)
